Dear Mr. Milovsky,

in the years between 1992 and 1997, the Deutsche Management Akademie Niedersachsen gGmbH (DMAN) has successfully developed and implemented 12 management training seminars in co-operation with the Riga Managers School.

During our common projects, we estimated the high quality services of Riga Managers School and also the great organisational skills of its staff. We regard the Riga Managers School as a skilled and competent partner on the training sector.

We hope that the co-operation between Riga Managers School and Deutsche Management Akademie Niedersachsen will also continue in the future.

With best regards

DEUTSCHE MANAGEMENT AKADEMIE NIEDERSACHSEN
